## CUSTOM SETUPS

### Vintage/Rustic \$800

Perfect for barn, outdoor, or other themes!

- A custom-built wood façade with a chalkboard centerpiece (now framed) to display your message (Names, date, dance rules, short story, etc).
- REAL wine barrels as speaker stands!
- Patio/string lights that float from the lighting tower to the speakers.
- Professional dance floor lighting with 4 pole-mounted Chauvet FXPar9's.

### Simple/Classic \$600

Stripped down but still classy, this simple setup comes standard with no lighting, but you can add dance floor lighting or any of our pro-DJ effect lights. When you simply want music, but don't want the DJ to ugly the place up, this is for you!

- Another unique, custom-built façade that is nearly all chalkboard! Write on it or keep it bare.
- Speaker stands dressed in black scrim

- We include a simple playlist of music (should you want any) during guest arrival, around 30 minutes before the event, for free.
- ALL packages include a wireless microphone for toasts/announcements.
- Backups for vital equipment are always on hand for any unforeseen technical issues.
- When you book Monolith, you get 2 meetings for planning (one or both at the venue), personal 24/7 contact with the entertainment coordinator, and access to our music/reception/ceremony/event planning forms.
- We will handle any announcements, introductions, or special event dialogue that you request.

## Add-ons for each package include:
